Birthday Parties at the FARM Institute

Thank you for your interest in hosting a birthday party at the FARM Institute! We offer birthday parties year-round with use of our *People Pasture*- the space with picnic tables to the east of our Katama Barn in the summer time, and our *Farmstead kitchen* – for an indoor space in the off-season or during inclement weather. Fridge and freezer space is available for all parties.

Parties include an optional hour of programming with the potential addition of a hayride as well as one hour of property use, for a total of two hours of total use. We allow an extra half hour for both set-up and break down of party (extra hour). We're happy to gear parties to ages and favorite animal requests! We have gardens, barns, cows, sheep, pigs, chickens, goats, and ducks!

General parties are recommended for ages 4 & up and include a maximum group size of 15 kids. Cooking specific parties are recommended for ages 6 & up and include a maximum group size of 10 kids. Please inquire for additional party-goers above these group sizes as they are based on additional staff availability and incur additional pricing. The Farm is carry in and carry out and you are responsible for set-up and cleanup. Unfortunately **balloons are not-permitted** at the farm as they can be hazardous if ingested by both our livestock and other wild animals.

All parties are taken based on our staffing availability and must be approved by Engagement Site Manager, Lindsay Brown. To inquire on availability, e-mail Lindsay at LBrown@thetrustees.org or call [\(508\) 627-7007 x1101](tel:(508)627-7007x1101).

Member pricing: \$200 (Please inquire about how to become a member!)

Non-member pricing: \$250

After reading the above agreement, please fill out the following and return it to:

The Farm Institute, Attn: Lindsay Brown, PO Box 1868, Edgartown MA 02539

with a 50% deposit (\$100 for members or \$125 for non-members).

I have read and agree to the terms and conditions set forth in this agreement.
